

# THE STADIUM ALLIED HEALTH UPDATE 2012

## FREE SEMINAR

### SEMINAR TOPICS

#### 3 interesting cases and lessons learnt

##### **Dr Sharron Flahive—Sports Physician**

Sharron is widely recognised as one of Sydney's leading Sports Physicians. She strongly believes that early accurate diagnosis, continuance of many aspects of exercise & graded rehabilitation can return you to your former level in your sport, often avoiding surgery. She is the Chief Medical Officer for the NSW Waratahs.

#### Management of Tendinopathy: PRP— procedure & indications

##### **Dr Tom Cross—Sports Medicine Physician**

Tom is a respected sports medicine physician and has worked in sports medicine for over 10 years. Dr Cross mainly works in private practice [www.tomcross.com.au](http://www.tomcross.com.au) but also is the assistant team doctor for the NSW Waratahs and the Canberra Raiders football teams.

#### Quick weight loss the safe way

##### **Susie Burrell—Sports Dietitian**

Susie Burrell is one of Australia's leading dietitians with degrees in both nutrition and psychology. She regularly talks nutrition and weight loss on Channel 7's Today Tonight and Sunrise, is the author of "Losing the last 5kg" and has recently penned 'Lose weight fast' - [www.susieburrell.com.au](http://www.susieburrell.com.au).

#### The trade offs in MR imaging

##### **Trader Grenfell—**

After graduating from Sydney University in Medical Radiation science in 1999 and Post Grad diploma in MRI, Trader worked at St George hospital before training in MRI at Hammersmith Hospitals NHS Trust in the UK, and working with the reporting radiologist for Chelsea Football club, England Rugby Union and English Cricket. Trader has been running the magnet at The Stadium since 2008 and since then has expanded the radiology group to include a magnet in Deakin, ACT.
